ORDER :

In the reference first read above, Government have granted a Mining Lease, for Clay, over an extent of 62.61 acres in Sy. Ulich Rani and the Assistant Director of Mines & Geology, West Godavari executed the lease deed on 14.09.1998.

2. In the reference second read above, the Director of Mines & Geology, Govt., of A.P., Hyderabad has submitted proposal for lapsing the lease held by Smt. N. Ulich Rani under rule 28(1) of Mineral Concession Rules, 1960, on the following grounds, for consideration of the Government:

- i. The Mine is not working since execution of lease deed.
- ii. The records are not available at the Mine site and responsible persons.
- iii. Boundary pillars are not available around the M.L. area.
- iv. The stipulated period of 2 years under Rule 28 of APMMC Rules 1960 completed by 13.09.2000 and the Mineral Revenue Assessment finalized upto 31.03.2005 as given below:

Dead Rent	Rs.16,310.00/-

TOTAL	Rs.24,693.00/-

3. Government after considering the report of the Director of Mines & Geology, Hyderabad, it was proposed to lapse the above mining lease held by Smt. N. Ulich Rani and accordingly, a show cause notice was issued in the reference 3rd read above under Rule 28 (1) of Mineral Concession Rules, 1960, as to why the Mining Lease held by her shall not be declared as lapsed, and submit her explanation/ representation within 15 days failing which it will be construed that she has no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee.
